

2024 CAPITAL WORKS SPONSORSHIP

HENSHILWOOD OVAL LIGHTING UPGRADE

Dear Community Member/Supporter

We are excited to share a significant milestone in the history of the Irymple Football, Netball & Cricket Clubs – the installation of lights at our beloved sports ground after 15 years of dedicated efforts and collaboration with the council.

The grand unveiling of these lights is set to take place on the 14th of December, coinciding with our annual cricket T20 event where the Irymple Footballers will face off against the Irymple Cricketers. This momentous occasion not only marks a major achievement for our clubs but also opens up new possibilities for night-time sporting events and community gatherings.

While we celebrate this accomplishment, it's important to note that the financial commitment from our clubs towards the lights totals \$247,000. Additionally, we have three other major capital works projects in the pipeline, eagerly awaiting council approval. To ensure the continued growth and sustainability of our clubs, we are reaching out to our community for support.

In light of the above, we are excited to introduce Funding/Capital Works Packages that offer a unique opportunity for individuals and businesses to contribute to the future success of Irymple Football, Netball & Cricket Clubs. These packages are designed to provide much-needed financial assistance, not only for the current lights project but also to support upcoming capital works initiatives.

We extend our appreciation to community members whose generosity leads them to contribute through

one of our packages. By showcasing your name on our Honour Board, we aim to commemorate your commitment to making a positive impact on the Irymple Community. Your inclusion on the Honour Board serves as a lasting testament to your dedication and support.
